About the programme

This fully online qualification prepares healthcare professionals to become leaders and educators within health professions education. It blends educational theory, leadership development, and practical technology use to help students effectively design, facilitate, assess, and transform learning in healthcare settings. The programme also emphasises fostering personal growth, mentoring competencies, and strategic leadership to drive quality improvement in educational environments.

Delivery and Learning Experience

Delivered fully online to accommodate busy professionals, the programme offers:

- Structured Module Pathways – Well-defined study plans and milestones within each module.
- Rich Digital Content – Professionally produced readings, multimedia, and formative assessments.
- Applied Assignments – Real-world tasks aligned with module outcomes (e.g., quality improvement, curriculum design).
- Asynchronous Learning – Study flexibly at any time while adhering to deadlines.
- Ongoing Support – Facilitator guidance and constructive feedback through the learning platform.

This design ensures learners develop both conceptual knowledge and practical leadership and teaching skills.

Graduate Opportunities

Graduates of this diploma will be able to:

- Lead educational initiatives and mentor health professionals with confidence and competence.
- Design outcome-based curricula, assessments, and learning tools using educational theory and technology.
- Evaluate and enhance the effectiveness of educational programmes through monitoring, evaluation, and quality improvement.
- Take on roles such as academic coordinator, curriculum developer, clinical educator, professional development consultant, educational leader, or policy advisor.

This qualification paves the way for substantial impact in health professions education and leadership.

About FPD

The Foundation for Professional Development (FPD), established in 1997, is one of South Africa's leading private higher education institutions. Recognised as the 3rd best private higher education institute in South Africa by the World Scholarship Forum, FPD has built a reputation for developing professionals who make meaningful contributions to business and society.
