## Study Fully Online Advanced Diploma in Entrepreneurship

### Programme Description

Build advanced entrepreneurial capability with TUT's Advanced Diploma in Entrepreneurship, an applied programme focused on innovation, sustainable venture creation, and evidence-based decision-making. You will gain practical tools in lean start-up, venture finance, and entrepreneurial strategy, while strengthening your ability to coach, advise, and support new and growing businesses. Research methodology and professional development modules further equip you with ethical research skills, leadership, and communication, so you can make confident, informed decisions in real entrepreneurial environments.

### You will learn

- Apply lean start-up principles to test, validate, and refine venture ideas.
- Develop entrepreneurial strategies and make confident, data-informed decisions.
- Manage venture finances, assess risk, and plan for sustainable growth.
- Coach, consult, and advise entrepreneurs using practical business advising approaches.
- Use ethical research methods to investigate problems and strengthen business strategy.
