# Advanced Diploma in Hospitality Management

## Programme Description

The Advanced Diploma in Hospitality Management is an online programme designed to deepen students' expertise in the financial, legal, and operational aspects of the hospitality industry. Core modules such as Hospitality Financial Management, Hospitality Industry Law, and Service Excellence equip students with the skills to manage finances, understand legal requirements, and excel in customer service. Research Methodology is included to provide essential scientific research skills. Students may choose electives in Accommodation Management or Food and Beverage Management, focusing on managing guest experiences or effective food service operations. This qualification prepares graduates for advanced roles in hospitality management, enabling them to navigate industry challenges with strategic insight.

## You will learn

- Expertise in hospitality operations management.
- Service quality management and customer satisfaction.
- Marketing strategies for hospitality businesses.
- Sustainable practices in hospitality management.
- Leadership and team management in hospitality settings.
