Admission requirements

- A three-year degree OR a Bachelor's degree (NQF Level 7)
- A minimum of two years' mid-professional work experience (internships and student experience are not considered).
- Students who have completed the Fundamentals of Business Administration (FBA) suite of courses are eligible to apply for entrance into the Postgraduate Diploma in Business Administration (PDBA) programme and may receive credits, if all other criteria are met. Interested students will have to complete a new application for the PDBA as a completed FBA suite of courses does NOT guarantee entrance into the PDBA programme.
